

The screenshot displays the Phase Manager software interface with a yellow background and a construction crane illustration at the bottom. The interface is divided into five main panels:

- Projet en cours:** Displays project details for 'Démon SIG testt'. Fields include: Description (VRD), Responsable (Fabien GABORIAU), Début (Fin), Dernière sauvegarde (01/01/1970 01:00), Dossier (D:\Projet Lineaire\Support\01 - Phase Manager\A-Documentation\Préparati...), and Taille (0.0 Mo).
- Plan:** Shows the Phase Manager logo and the text 'Le phasage travaux *DYNAMIQUE*'.
- Langue:** Features a language dropdown menu set to 'fr' and three icons for home, folder, and refresh.
- Workspace:** Shows a file browser with the path 'D:\Projet Lineaire\Support...' and a list of project items: 'Démon SIG biennale' and 'Démon SIG final'.
- Version:** Displays 'Phase Manager version : 4.0.1' and 'La version est à jour.' with a refresh icon.
