

The screenshot displays the Phase Manager software interface with a yellow background and a construction crane illustration at the bottom. The interface is divided into five main panels:

- Projet en cours:** Displays project details for "Démon SIG testt".
 - Nom:** Démon SIG testt
 - Description:** VRD
 - Responsable:** Fabien GABORIAU
 - Début:** Fin
 - Dernière sauvegarde:** 01/01/1970 01:00
 - Dossier:** D:\Projet Lineaire\Support\01 - Phase Manager\A-Documentation\Préparati...
 - Taille:** 0.0 Mo
- Plan:** Shows the Phase Manager logo and the text "Le phasage travaux *DYNAMIQUE*".
- Langue:** Features a language dropdown menu set to "fr" and three icons: a globe, a folder, and a refresh symbol.
- Workspace:** Shows a file browser with the path "D:\Projet Lineaire\Support..." and a list of project items:
 - Démon SIG biennale
 - Démon SIG final
- Version:** Displays "Phase Manager version : 4.0.1" and "La version est à jour." with a refresh icon.
