

## USB license installation and activation

### Attention :

To install Phase Manager it is **highly recommended to have administrator rights**

### 1/ Installation of Phase Manager

Download Phase Manager. **Right click** on the executable than run it with **Administrator rights**

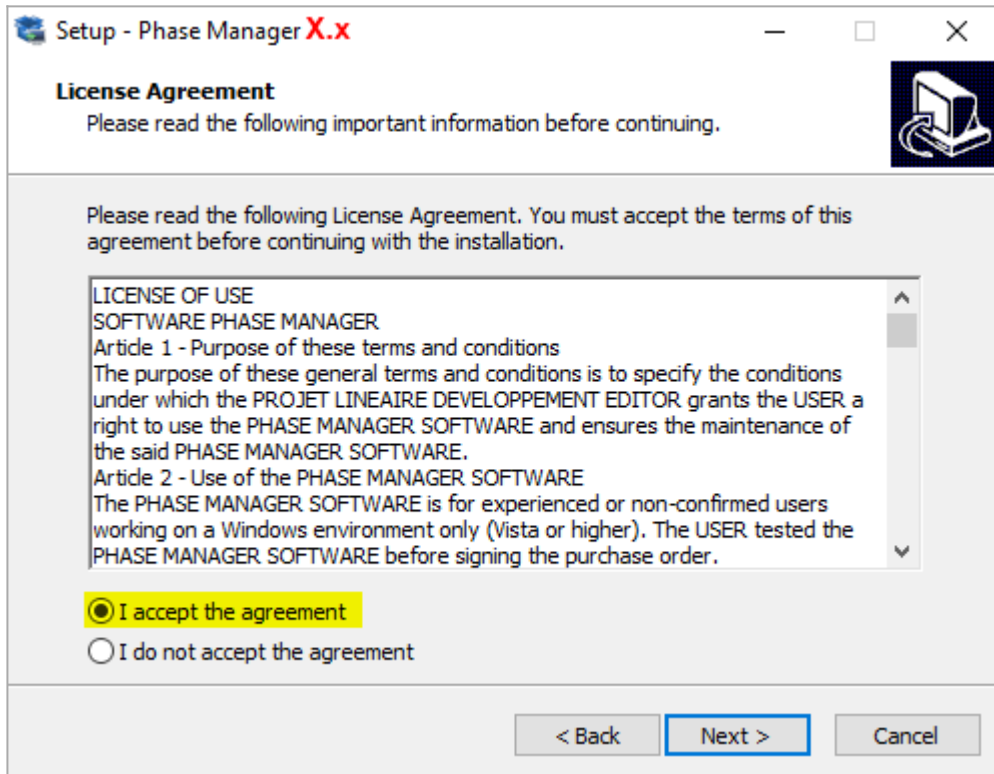

Once launched, choose the installation language:

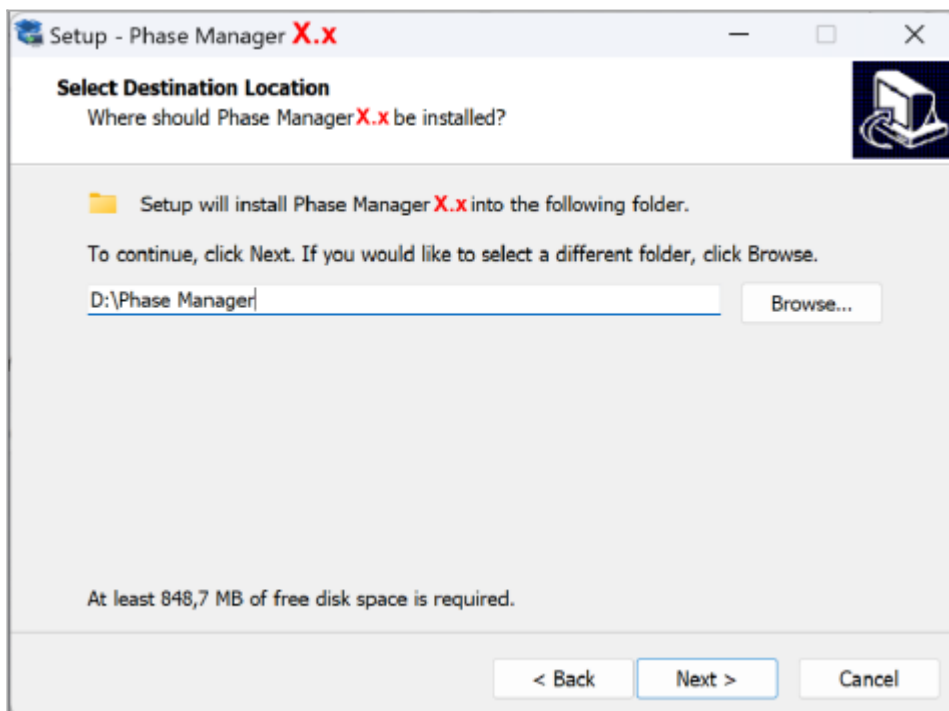

Skip the welcome screen by clicking on **Next** :

Read then accept the license agreement to continue the installation by clicking on **Next** :

Choose a path folder on the USB key (for exemple : *D:\Phase Manager*) then click on **Next** :

Choose '**Portable Installation**'

**Select Components**  
Which components should be installed?

Select the components you want to install; clear the components you do not want to install. Click Next when you are ready to continue.

Portable installation

Validate the Start Menu Folder screen by clicking on **Next** :

Choose and validate the icons creation screen by clicking **Next** :

Select the additional tasks you would like Setup to perform while installing Phase Manager **X.x**, then click Next.

Additional icons:

Create a desktop icon

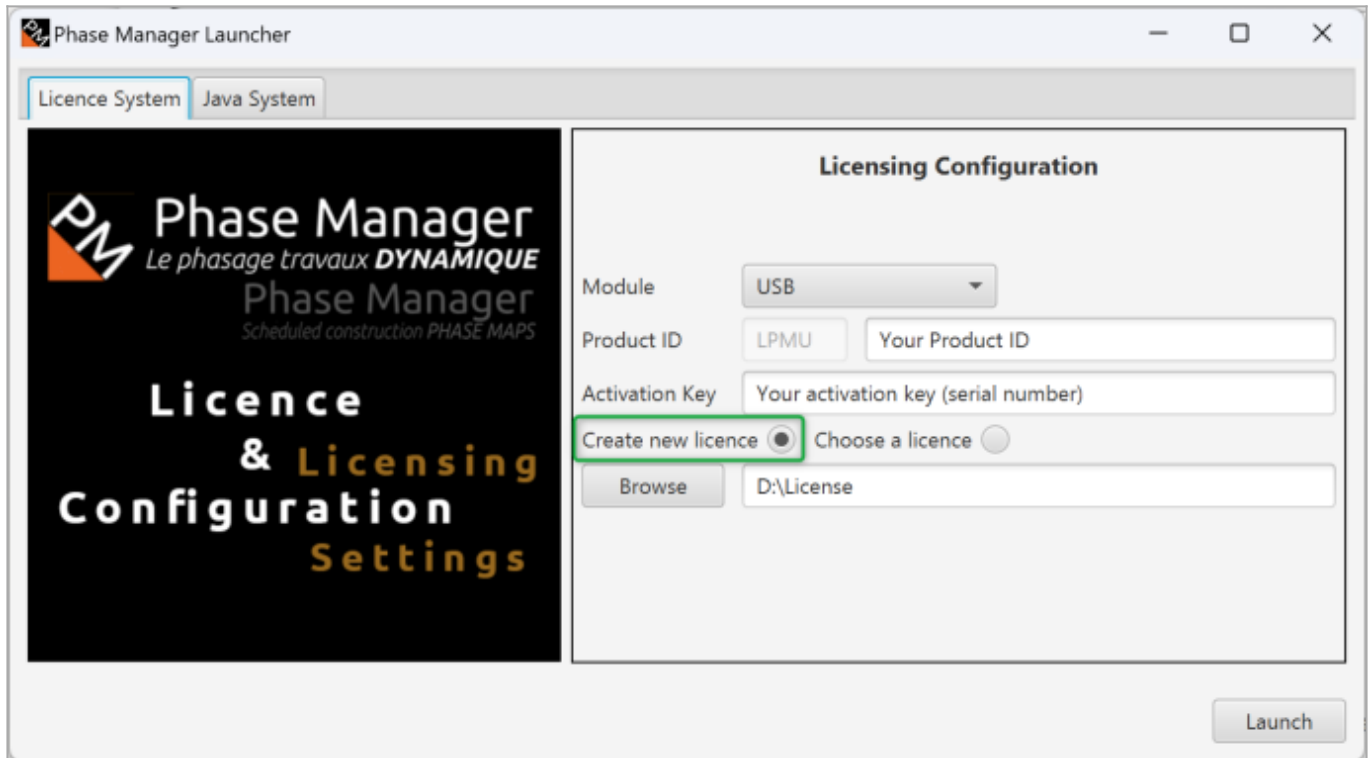

Create a Quick Launch icon

On the following screen click on **Install** then once installation is complete, click on **Finish**

---

## 2/ USB license configuration

Once Phase Manager 5 is installed, double-click on its icon to launch it.  
At first launch, the license configurator will display:

To activate your license, you will need to fill in the following fields:

## Module

Choose **USB**

## Product ID

Fill in the Product ID that's been sent to you by Projet Linéaire:

- licence pattern : LPMU-00NNN0 **X** 00abcDEF (**NNN** is the number of your license, and **X** the version)
- **only paste the right part of your Product-ID, after the '-'**

## Activation key

Fill in the Serial number sent to you by Projet Linéaire.

- pattern : VccQX-37eJG-AZlce-EYk7O-temCP-8DRFu

## Licence

Choose “*Create new licence*”.

By clicking on **Browse** you can choose the location of the license file that will be created by Phase Manager

Be sure to choose **a path folder on the USB key** , for example : **D:Licence**.

## 3/ License activation

Click now on the button **Launch** to activate your licence.

**Beware : an Internet connection is mandatory to activate the license !**
